A work rule is a compilation of attributes that defines how an employee will be compensated. All employees have default work rules assigned them, and they would include union affiliation, Fair Labor Standards Act (FLSA) status, compensatory time or overtime preference, shift occurrence, shift duration, and meal duration. A typical work rule looks like this: CX_NonEx_CTP Eve 30d. This example identifies a CUE-affiliated non-exempt employee who receives compensatory time, works the evening shift, and has a thirty-minute meal deduction. The illustration below shows the anatomy of a work rule:

<table>
<thead>
<tr>
<th>CX</th>
<th>Non-Ex</th>
<th>CTP</th>
<th>Eve</th>
<th>30d</th>
<th>PFM</th>
</tr>
</thead>
<tbody>
<tr>
<td>Union Code</td>
<td>FLSA Status (exempt or non-exempt)</td>
<td>CTP=Comp Time Premium</td>
<td>OTP=Overtime Premium</td>
<td>CTD=Comp Time Double</td>
<td>OTD=Overtime Double</td>
</tr>
<tr>
<td>Shift Type: Day, Eve, Night, Weekend</td>
<td>Meal Deduction: 30, 60, or 00</td>
<td>If employee is eligible for Meal Perquisite</td>
<td></td>
<td></td>

</tr>
</tbody>
</table>

Meal Deduction: 30, 60, or 00
Shift Type: Day, Eve, Night, Weekend
May include 08, 109, or 12 for shift length.

Work rule transfers are necessary when the normal work rule parameters are not followed for only one shift, such as the employee who normally works day working a night shift. The supervisor is responsible for applying the work rule transfer, and the following demonstrates how.

1. Log in to CalTime using RDP access. (See the Internet site, http://caltime.berkeley.edu/access for RDP log-in resources and instructions.)
2. Click My Genies.
3. Click the Timecard Exceptions Genie.
4. Click the Show drop-list arrow.

5. Select All Non-Exempt Home and Trans. In. Time Period will default to Current Pay Period.

   NOTE: If the pay period has ended, select Previous Pay Period, and click the Apply button.

6. Select the employee whose timecard needs a work rule transfer.

7. Click Timecard.
8. Locate the correct date—which in this example will be **Wed 10/1**—and click the corresponding Transfer drop-list arrow.

9. Click the **Search** in the **Transfer** column drop-list menu.

10. The next thing you see is the **Transfer Selection** dialog window.
Locate the **Work Rule** drop list.
11. Click the **Work Rule** drop list arrow.

12. Select the proper work rule, which in this case is **CX_NonEx_OTP 08 Night 30d**.

**NOTE:** This work rule means that non-exempt employee Carl Haggarty is in the CX union, receives overtime premium, is working a night shift (instead of the day), and takes a 30-minute meal break.

Be very careful to select the correct work rule, starting by matching the right union affiliation.
13. Click OK.

Note the applied Work Rule Transfer.

14. Click Save to store the changes to the timecard.
