## UC TABLES

### CURRENT STATE

Friendly name administrative tables used to create friendly names are setup in HCM in the UC tables.

The screenshot shows the HCM menu structure. On the left, the 'UC Tables' menu item is expanded, showing sub-items: 'Cal Time Setup', 'Constants Table UC', 'Pay Period Info', and 'WF Admin Recon Rpts'. On the right, the 'Main Menu >' view shows the 'UC Tables' folder expanded to reveal 'UC Table Maintenance', 'Cal Time Setup', and 'WF Admin Recon Rpts'. The 'Cal Time Setup' folder is highlighted with a red box, showing its sub-items: 'Friendly Names: Appointment', 'Friendly Names: Chartstring', 'Friendly Name/Location/COA', and 'Location Code table'.

### FUTURE STATE

The tables above will be relocated to the friendly name application
