Timekeeping Instructions for Early UCPath December Payroll Deadlines

In preparation for the December holidays and the campus annual energy curtailment period, please plan ahead and follow the deadlines and instructions below to ensure you are paid for all hours worked and leave taken. This December, due to the holidays, biweekly paid employees and their supervisors are being asked to submit and approve their hours worked and leave taken before the pay period ends. The early time submission and approval deadline allows UCPath to process Payroll and submit the necessary information to the bank so employees may have their pay available on the January 3rd pay day.
